/X/	ATTACHMENT A - Scope of Work/Budget
//	ATTACHMENT B - Covenant or Letter of Agreement
/X/	ATTACHMENT C - Civil Rights Assurance
/X/	ATTACHMENT D - Assurance of Compliance with Procurement Procedures
/ /	ATTACHMENT E - Assurance of Compliance with Anti-Kickback Act of 1964
/X/	ATTACHMENT F - Lobbying with Appropriated Funds
/X/	ATTACHMENT G - Conflict of Interest

NOW, THEREFORE, the APPLICANT in undertaking this project agrees to:

1. Duly and faithfully comply with the terms and conditions of this Agreement, all applicable federal and State laws, including the National Register Programs Manual, Office of Management and Budget (OMB) Circulars A-87 (Cost Principles) and A-102 (Administrative Requirements) for state and local governments, particularly

1 Attachments C, F, and G, which are incorporated by reference into this Agreement and
2 A-133 (Single Audit Act). Universities must comply with OMB Circulars A-21, A-110,
3 and A-133, and nonprofit organizations must comply with OMB Circulars A-122 and
4 A-133. Comply with the Secretary of the Interior's Standards and Guidelines for
5 Archaeology and Historic Preservation. Comply with all directives issued by the
6 STATE and the Department of the Interior. The Guidelines and application forms for
7 the State Historic Preservation Office are hereby incorporated by reference as part of
8 this binding agreement.

- 9 2. At all times during regular business hours or at an agreed to time and as often as the
10 STATE requires, permit authorized representatives of the state and federal government
11 full and free access to the project and to the accounts, records, and books of the
12 APPLICANT relative hereto, including the right to make transcripts from such
13 accounts, records, and books. Such accounts, records, and books must be retained for
14 three (3) years after the completion of the project.
- 15 3. To the extent authorized by law, the APPLICANT agrees to indemnify and hold the
16 State of Nevada, its agents and employees harmless from any loss, damage, liability,
17 cost or expense to the person or property of another which was caused by the negligence
18 of the APPLICANT, its officers, employees and agents under this agreement.
- 19 4. Not use federal money to match grant money offered through this Agreement, unless
20 specifically allowed to do so under special federal enabling legislation.
- 21 5. Provide the STATE with progress reports in a format prescribed by the STATE during
22 the term of the grant. Due dates are 9/30/2006, 12/31/2006, 3/31/2007, 6/30/2007,
23 9/30/2007.

24

1 6. Submit reports, including expenditure (financial) and progress (programmatic)
2 quarterly. A final completion report shall be submitted by the APPLICANT in a format
3 prescribed by the STATE within ten (10) days of the completion of the project named
4 herein. A progress report must also be included with each request for Reimbursement.

5 7. Maintain:

6 a) An accurate record of all cash and in-kind expenditures related to the project.
7 Records must be supported by source documentation. All volunteer services
8 claimed as nonfederal share must be documented through time cards or records
9 signed by both the volunteer and project supervisor.

10 b) A special account for the project so that an exact itemization of project
11 expenditures can be submitted by check number along with copies of canceled
12 checks, itemized invoices, and properly documented time sheets.

13 c) A comparison of actual expenditures with budgeted amounts for the
14 Agreement.

15 8. Notify the STATE immediately in writing of problems or changes in scope of work,
16 budget, product, and performance reporting. No changes can be made without prior
17 written approval from the STATE.

18 9. Following the notification of the grant award and before work begins, the APPLICANT
19 will attend a project meeting with the STATE grants manager. It is the responsibility of
20 the APPLICANT to coordinate the meeting date and time with the grants manager.

21 FURTHER, THEREFORE, the parties to this Agreement acknowledge and will comply with
22 the following general terms:

23 1. Payment of the grant shall be made upon compliance with the terms of the Agreement,
24 including but not limited to:

- 1 a) An inspection by the STATE to ensure that work has been completed
2 satisfactorily in accordance with the terms of this Agreement.
- 3 b) Submission of satisfactory progress reports as referred to above.
- 4 c) Submission of a Certificate of Eligible Actual Costs/Request for
5 Reimbursement that must be executed by the person in charge of the project.
6 Copies of all original bills from contractors, suppliers, and vendors, and proof
7 of payment of those bills to assure evidence of compliance prior to
8 reimbursement shall accompany the request. Said reimbursement shall not
9 exceed 60 percent (60%) of the request for reimbursement costs, or the full
10 value of the grant, whichever is less.
- 11 d) The STATE may, at its discretion, retain 10 percent (10%) of the total federal
12 portion until the STATE receives the final completion report and has accepted
13 its content.
- 14 e) Progress payments may be made at the discretion of the STATE upon
15 completion of distinct phases of work provided that the above-mentioned
16 conditions have been met for each phase of work.
- 17 f) Any progress payment made by the STATE shall not constitute nor be
18 construed as a waiver by the STATE of any breach of covenant or any default
19 which may exist on the part of the APPLICANT, nor shall any such breach or
20 default impair or prejudice any right or remedy available to the STATE.

- 21 2. The STATE shall have no liability for payment except to the extent of the receipt of
22 such funds from the Department of the Interior.
- 23 3. The STATE may terminate this Agreement for reason of default by the APPLICANT.
24 Any of the following events shall constitute default:

- a) Termination by the grant by reason of fault of the APPLICANT;
- b) Failure by the APPLICANT to observe any of the covenants, conditions, warranties of this Agreement and its incorporated provision;
- c) Failure by the APPLICANT to make progress on the grant;
- d) Unsatisfactory financial conditions by the APPLICANT which endanger the performance of the grant;
- e) Delinquency by the APPLICANT in payment of taxes or of the costs of performance of the grant in ordinary course of business;
- f) Appointment of a trustee, receiver, or liquidator for all or a substantial part of the APPLICANT's property, or institution of bankruptcy, reorganization arrangement, or liquidation proceedings by or against the APPLICANT; and/or Commission of an act of bankruptcy.

4. In the event APPLICANT fails to appropriate or budget funds for the purposes as specified in this agreement, STATE consents to termination of this agreement. In such event, APPLICANT shall notify STATE in writing and the agreement will terminate on the date specified in the notice. Both parties understand that a funding-out provision is required by NRS 244.320 and NRS 354.626.

5. Upon occurrence of any of the above conditions, the STATE may, upon written notice to the APPLICANT, withhold further reimbursements for a period of thirty (30) days. After such written notice to the APPLICANT, the STATE may take the following additional actions as appropriate:

- a) Terminate all or any part of the balance of the grant.
- b) Demand immediate repayment of all or part of any reimbursements made to the APPLICANT.

- 1 6. If the APPLICANT fails to comply with the Secretary of the Interior's Standards and
2 Guidelines for Archaeology and Historic Preservation or any of the terms of this
3 Agreement; the STATE shall have the right to file suit, in law or equity. The purpose
4 of the suit shall be to cause the APPLICANT to cure said violations or to obtain the
5 return of funds granted to the APPLICANT by the STATE. Such suit may be brought
6 in the District Court of the county in which the property is located.
- 7 7. The commencement date for all work to be performed under this Agreement is
8 October 1, 2006. The termination or end date is August 30, 2007. No work performed
9 at any time other than described in this paragraph shall be considered as an eligible
10 activity for reimbursement purposes. Request for reimbursement for activity from
11 October 1, 2006 to August 30, 2007 must be submitted by September 15, 2007 and
12 will not be allowable for reimbursement or as match after that date. Requests that have
13 not been received at the office of the STATE by this date shall not be paid pursuant to
14 this funding agreement.
- 15 8. This funding agreement shall be construed and interpreted according to the laws of the
16 State of Nevada.
- 17 9. Audits may be required by the STATE. Such audits shall be at the expense of the
18 APPLICANT.
- 19 10. The STATE in accordance with the Office of Management and Budget (OMB) Circular
20 A-133, for the Single Audit Act, requires:
- 21 a) Non-Federal entities that expend \$500,000 or more in a year in Federal awards
22 to have a single or program-specific audit conducted for that year.

23

24

1 b) Non-Federal entities that expend \$500,000 or more in a year in Federal awards
2 shall have a single audit conducted except when they elect to have a program-
3 specific audit conducted in accordance with paragraph (c) of this section.

4 c) Program-specific audit election. When an auditee expends Federal awards
5 under only one Federal program (excluding R&D) and the Federal program's
6 laws, regulations, or grant agreements do not require a financial statement audit
7 of the auditee, the auditee may elect to have a program-specific audit.

8 d) Exemption when Federal awards expended are less than \$500,000. Non-
9 Federal entities that expend less than \$500,000 a year in Federal awards are
10 exempt from Federal audit requirements for that year, except as noted in
11 Circular A-133, but records must be available for review or audit by
12 appropriate officials of the Federal agency, pass-through entity, General
13 Accounting Office (GAO) and State.

14 11. In any news release or printed material describing or promoting the project or any
15 material produced as a result of the grant, appropriate credit shall be given to the
16 STATE and the Department of the Interior by the phrase: "This project has been
17 funded with assistance of the Nevada State Historic Preservation Office through a
18 Department of the Interior grant." Printed material, where space allows, should include
19 language outlined in paragraph 12.

20 12. An acknowledgment of National Park Service support must be made in connection with
21 publication or dissemination of any printed, audio-visual, or electronic material based
22 on, or developed under, a result of this Agreement shall include the following
23 statements:

24 The [insert activity] that is the subject of this [insert type of

publication] has been financed in whole or in part with federal funds from the National Park Service, U.S. Department of Interior, and administered by the State Historic Preservation Office. The contents and opinions, however, do not necessarily reflect the views or policies of the United States Department of the Interior or the State Historic Preservation Office. This program receives federal financial assistance for identification and protection of historic properties. Under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and Age Discrimination Act of 1975, as amended, the U.S. Department of the Interior prohibits discrimination on the basis of race, color, national origin, disability or age in its federally assisted programs. If you believe you have been discriminated against in any program, activity, or facility as described above, or if you desire further information, please write to: Office of Equal Opportunity, National Park Service, 1849 C Street, NW, Washington, DC 20240.

13. A draft project report will be submitted for STATE review to the State Historic Preservation Office no later than **July 30, 2007**. The product must comply with the Secretary of the Interior's Standards and Guidelines for Archaeology and Historic Preservation.
14. Final product reimbursement will not be made if the product does not meet the Secretary of Interior's Standards or terms of this Agreement.
15. The final product must be submitted to the STATE no later than **September 15, 2007**.

1 16. The APPLICANT shall provide the STATE with an acceptable final report of the
2 project, including a comparison of completed activities and budget to those in the
3 approved Funding Agreement.

4 IN WITNESS WHEREOF, the parties hereto have caused this Historic Preservation Funding
5 Agreement to be signed and intend to be legally bound thereby.

SCOPE OF WORK

Project Title: Survey and inventory of historic neighborhoods and a National Register nomination using National Park Service (NPS) funds.

This project will support the completion of the following:

- National Register nomination for the Berkley Square Neighborhood;
- Survey and inventory of the McWilliams Townsite (Phase 1);
- Update previous survey completed within the historic Downtown Core;
- Printing and distribution of educational materials.

State Historic Preservation Office (SHPO) and NPS Project Stipulations:

1. All work will conform with the Secretary of the Interior's Standards and Guidelines for Archeology and Historic Preservation unless otherwise approved by the SHPO.
2. All completed work must conform with visual and/or written specifications submitted to and approved by the SHPO *before* work begins.
3. If any changes are made to the project, the applicant/grantee must submit updated visual and/or written specifications for the proposed work before any work commences and for written approval from the SHPO.
4. The applicant/grantee will provide the SHPO with calendar quarterly updates on project progress;
5. The applicant/grantee will provide the SHPO with full access to all documents necessary for a comprehensive audit. Should the SHPO find costs that are not allowed by State accounting practices or that are outside the terms of this agreement; the applicant/grantee will refund the amount to the SHPO.

ATTACHMENT C
CIVIL RIGHTS ASSURANCE

As the authorized representative of the applicant, I certify that the applicant agrees that, as a condition to receiving any Federal financial assistance from the Department of the Interior, it will comply with all Federal laws relating to nondiscrimination. These laws include, but are not limited to: (a) Title VI of Civil Rights Act of 1964 (42 U.S.C. 2000d-1), which prohibits discrimination on the basis of race, color or national origin; (b) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), which prohibits discrimination on the basis of handicap; (c) the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101et. seq.), which prohibits discrimination on the basis of age; and applicable regulatory requirements to the end that no person in the United States shall, on the grounds of race, color, national origin, handicap or age, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity conducted by the applicant. The Applicant hereby gives assurance that it will immediately take any measures necessary to effectuate this agreement.

This assurance shall apply to all aspects of the applicant's operations including those parts that have not received or benefited from Federal financial assistance.

If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Applicant by the Department, this assurance shall obligate the Applicant, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is so provided, this assurance shall obligate the Applicant for the period during which it retains ownership or possession of the property. In all other cases, this assurance shall obligate the Applicant for the period during which the Federal financial assistance is extended to it by the Department.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal

grants, loans, contracts, property, discounts or other federal financial assistance extended after the date hereof to the Applicant by the Department, including installment payments after such date on account of applicants for Federal financial assistance which were approved before such date.

The Applicant recognizes and agrees that such Federal financial assistance will be extended in reliance on the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Applicant, its successors, transferees, assignees, and sub recipients and the person whose signature appears below who is authorized to sign this assurance on behalf of the Applicant.

ATTACHMENT D
PROCUREMENT PROCEDURES

This statement is to certify that as an applicant for historic preservation funding, I am aware of the following federal policies regarding procurement procedures and contracting with small and minority firms, women's business enterprise, and labor surplus area items. It is National policy to award a fair share of contracts involving Federal funds to small and minority business firms. Accordingly, affirmative steps must be taken to assure that small and minority businesses are utilized when possible as sources of supplies, equipment, construction and services. Affirmative steps shall include, but not be limited to the following:

- a. Including qualified small and minority businesses and solicitation lists.
- b. Assuring that small and minority businesses are solicited whenever they are potential sources.
- c. When economically feasible, divide total requirements into smaller tasks or quantities so as to permit maximum small and minority business participation.
- d. When the situation permits, establish permits; establish delivery schedules, which will encourage participation by small and minority businesses.
- e. Use the services and assistance of the Small Business Administration, the Office of Minority Business Enterprise of the Department of Commerce and the Community Services Administration as required.
- f. Any and all subcontractors shall also take the affirmative steps listed in (a) through (e) above.

Grantees shall take similar appropriate affirmative action in support of businesses owned and operated by women (women's business enterprises). Grantees are encouraged to procure goods and services from areas of high unemployment (labor surplus areas).

All procurement transactions shall be conducted in a manner that provides maximum open and free competition. Procurement procedures shall not restrict or eliminate competition. Activities that can restrict competition include, but are not limited to: (1) placing unreasonable requirements on firms in order for them to qualify to do business; (2) involvement in organizational conflicts of interest; and (3) the requirement of unnecessary experience and bonding.

Method of Procurement - Procurement under a grant involving Federal funds shall be made by one of the following methods: (1) small purchase procedures; (2) competitive sealed bids; (3) competitive negotiation; (4) non-competitive negotiation. Small purchase procedures are those relatively simple and informal procurement methods that are sound and appropriate for a procurement of services, supplies, or other property, costing in the aggregate not more than \$10,000.00. Price or rate quotations shall be obtained from at least three qualified sources.

1. Competitive sealed bids are required if a procurement of services, supplies or other property costs in the aggregate of more than \$10,000.00. Competitive sealed bids must be publicly solicited by means of formal advertising in at least one local newspaper of general circulation once a week for a period of two weeks. A fixed-contract shall be awarded to the responsible bidder whose bid, confirming with all the material terms and conditions of the invitation for bids, is lowest in price.
2. Competitive negotiation is an alternate form of procurement that may be employed if the cost of services, supplies or other property is in the aggregate of more than \$10,000.00. The APPLICANT shall enter into negotiations with two or more potential contractors that have submitted offers. Either a fixed price or a cost reimbursable type contract shall be awarded. Award of the contract may be made to the responsible bidder whose proposal will be most advantageous to the procuring party considering price and other factors. Unsuccessful bidders should be notified promptly by the APPLICANT.
3. After solicitation of a number of sources, noncompetitive negotiation may be entered into if

competition is determined to be inadequate. Noncompetitive negotiation may only be used when the award of a contract is infeasible under small purchase, competitive bidding or competitive negotiation procedures. Other circumstances under which a contract may be awarded by non-competitive negotiation are limited to the following:

- a. The item is available only from a single source.
 - b. In case of an emergency, or in case of a public exigency when the urgency for the requirement will not permit a delay incident to competitive solicitation.
 - c. The State authorizes noncompetitive negotiation.
4. Additional innovative procurement methods may be used by grantees with the written approval of the STATE. A copy of the approval shall be sent by the STATE to NPS and by NPS to the Office of Federal Procurement Policy.

Grantee Procurement Records - Grantee shall maintain records sufficient to detail the history of a procurement. These records shall include, but are not necessarily limited to, information pertinent to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the cost or price.

Contract Provisions - Any recipient of Federal grant funds shall include the following contract provisions or conditions in all procurement contracts and subcontracts.

1. Contracts other than small purchases shall contain provisions or conditions, which will allow for administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for the termination of the contract and any other such sanctions and penalties as may be appropriate.
2. All negotiated contracts (except those awarded by small purchases procedures) awarded by grantees utilizing federal funds shall include a provision to the effect that the STATE shall have access to any book, documents, papers, and records of the contractor directly pertinent to that specific contract, for the purpose of examination, audit, and

transcriptions. Grantee shall require contractors to maintain all required records for three years after grantees make final Agreement.

Prior to reimbursement grantees shall forward the SHPO evidence documenting compliance with Federal competitive procurement requirement for professional services and contracts.

I hereby acknowledge that I have read the foregoing procurement procedures and promise that I shall comply with all of the provisions by which the terms of this Agreement apply to my particular project.

ATTACHMENT F

LOBBYING WITH APPROPRIATED FUNDS

Historic Preservation Fund grants must conform to provisions of 18 USC 1913.

“No part of the money appropriated by any enactment of Congress shall, in the absence of express authorization by Congress, be used directly or indirectly to pay for any personal service, advertisement, telegram, telephone, letter, printed or written matter, or other device, intended or designed to influence in any manner a Member of Congress, to favor or oppose, by vote or otherwise, any legislation or appropriation by Congress, whether before or after the introduction of any bill or resolution proposing such legislation or appropriation; but this shall not prevent officers or employees of the United States or its Departments or agencies from communicating to Members of Congress at the request of any Member, or to Congress through the proper official channels, requests for legislation or appropriation which they deem necessary for the efficient conduct of the public business.”

Thus, cost associated with activities to influence legislation pending before the Congress, commonly referred to as “lobbying,” are unallowable as charges to Historic Preservation Fund – assisted grants, either on a direct or indirect cost basis.

CONFLICT OF INTEREST

Effective October 1, 1990 the following provision will apply:

The subgrantee agrees to the following and will include the following language in any contracts supported by is grant.

Neither the grantee, nor its subgrantees or subcontractors, shall enter into any contract, subcontract, or arrangement in connection with a project in which any board or commission member, or employee of the State Historic Preservation Office organization has any financial or private interest.

No member, officer, or employee of the State Historic Preservation Office, including the Board for Museum's and History shall have an interest in this agreement or the proceeds thereof, except that such persons may provide technical, consultative, or oversight assistance in a voluntary capacity (i.e., unpaid and the time not charged to the required matching share for the Historic Preservation Fund grant.)

COMPLETE THE FOLLOWING FOR ALL PROJECTS.

1. List the grant applicant's name, affiliation (if appropriate), address and telephone number.

City of Las Vegas
Planning and Development Department
731 So. Fourth Street, Las Vegas, Nevada 89101

Is the applicant a representative of the owner(s)?

____ Yes X No

2. Please indicate the type of project work.

____ Development
____ Pre-Development
 X Preservation Planning
 X Public Education
____ Public Relations
____ Other (specify): _____

3. List the project name and area.

Project Name: City of Las Vegas Historic Resource Survey and Inventory
Area or Neighborhood: Berkley Square, Downtown Las Vegas, McWilliams' Townsite
City: Las Vegas County: Clark

4. Is the property area listed in the National Register of Historic Places?

____ Yes X No

5. List the names, addresses, and telephone numbers of the principal project personnel (i.e. architects, engineers, archaeologists, historians, architectural historians, grants managers, etc.). Project principals must meet the applicable minimal professional qualifications in 35 CFR 61, Appendix A. Please enclose vitae with the application.

Courtney Mooney, City of Las Vegas 702-229-5260
Robert Stoldal, Chairman, Historic Preservation Commission 702-650-1110

6. Please list the name and phone number of a contact person.

Name: Courtney Mooney Telephone: 702-229-5260

(Please note that should the project be selected for funding, a minimum of two project progress meetings will be required. In addition, monthly contact with the Division must be maintained for the duration of the project.)

7. Is the project located in an urban area of 25,000 or more population?

☒ Yes ☐ No

8. Will part, or all, of the project be contracted out?

☒ Yes ☐ No

If yes, please check the appropriate line indicating the procurement method(s) to be used. Please note that procurement documents are subject to SHPO review. Development projects must follow competitive procurement procedures.

☐ Small purchase procedures
☐ Competitive sealed bids
☐ Competitive negotiation
☒ Noncompetitive negotiation

9. Would you be willing to hire minority personnel or minority owned businesses to perform project work?

☒ Yes ☐ No

10. Is the applicant a member of a minority group? Please see the definition in the guidelines.

☐ Yes ☒ No

If yes, please specify. _____

11. Is your business certified as a Minority Business Enterprise? Please see the definition in the guidelines.

☐ Yes ☒ No

12. Please provide below an estimate of project costs. Note: Any materials or labor donated to the project must be indicated. Provide additional specific detail on the continuation sheet.

PROPOSED BUDGET See Attachment A

13. How much federal funding are you requesting? \$ 37,000.00
Note: Federal share may not exceed 60% of the total project costs. Federal money may not be used to match the federal portion, unless the funding source is CDBG funds.

14. List each component of the nonfederal share. Give the exact nature of each source. Cash and In-Kind contributions are acceptable kinds of match. Identify how the matching share contributes to achieving the scope of work and is necessary and reasonable.

Example:

Donor: Applicant Source: Salaries
Amount: \$ xxxxxx Kind: Cash Date Available: xxxxxx

Donor _____ Source: _____
Amount: _____ Kind: _____ Date Available: _____

Donor _____ Source: _____
Amount: _____ Kind: _____ Date Available: _____

Donor _____ Source: _____
Amount: _____ Kind: _____ Date Available: _____

Total Non-Federal Share: \$ 22,859.00

NOTE: Total of the amounts in items 13 and 14 must together equal Total Project Cost above.

CIVIL RIGHTS ASSURANCE

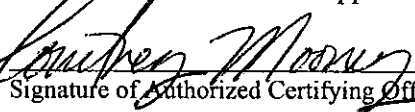

As the authorized representative of the applicant. I certify that the applicant agrees that, as a condition to receiving any Federal financial assistance from the Department of the Interior, it will comply with all Federal laws relating to nondiscrimination. These laws include, but are not limited to: (a) Title VI of civil Rights Act of 1964 (42 U.S.C. 2000d-1), which prohibits discrimination on the basis or race, color or national origin; (b) Section 504 of the Rehabilitation Act of 1973, as amended (20 U.S.C. 794), which prohibits discrimination on the basis of handicap; (c) the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101 et. Seq.), which prohibits discrimination on the basis of age; and applicable regulatory requirements to the end that no person in the United States shall, on the grounds of race, color, national origin, handicap or age, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity conducted by the applicant. THE APPLICANT HEREBY GIVES ASSURANCE THAT it will immediately take measures necessary to effectuate this agreement.

THIS ASSURANCE shall apply to all aspects of the applicant's operations including those parts that have not received or benefitted from Federal financial assistance.

If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Applicant by the Department, this assurance shall obligate the Applicant, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is so provided, this assurance shall obligate the Applicant for the period during which it retains ownership or possession of the property. In all other cases, this assurance shall obligate the Applicant for the period during which the Federal financial assistance is extended to it by the Department.

THIS ASSURANCE is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts, property, discounts or other Federal financial assistance extended after the date hereof to the Applicant by the Department, including installment payments after such date on account of applicants for Federal financial assistance which were approved before such date.

The Applicant recognizes and agrees that Federal financial assistance will be extended in reliance on the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the applicant, its successors, transferees, assignees, and subrecipients and the person whose signature appears below who is authorized to sign this assurance on behalf of the Applicant.

Attachment B SCOPE OF WORK

The invaluable and continued assistance from the Historic Preservation Grant-In-Aid awards has allowed the City of Las Vegas to make tremendous strides with accomplishing important historic preservation goals. The survey and inventory of the Berkley Square neighborhood, completed in 2005 using HPF monies led to significant discoveries and a determination of eligibility for listing on the National Register of Historic Places. In addition, historic resource surveys of the Wedding Chapels within the Scenic Byway boundaries along Las Vegas Boulevard, and the Huntridge Neighborhood, a World War II housing development, provided useful information to the Planning and Neighborhood Services Department for future preservation planning efforts. These surveys have added greatly to our expanding historic resource inventory.

Continued surveys and research of our historic buildings and neighborhoods remains a high priority, as does public education. The proposed work for the 2006 Historic Preservation Grant-In-Aid will include the following:

Preparation of a National Register nomination for the Berkley Square Neighborhood. The previous survey unearthed valuable information linking the design of the homes to architect Paul R. Williams, an internationally known and highly regarded African American architect. Williams' work includes the Lear Theater, in Reno, Nevada (1938), the La Concha Motel in Las Vegas, Nevada (1959), and several notable public buildings in southern California. It was also discovered that Berkley Square was the first minority-built subdivision in Nevada. Because of this information and support from the residents, the City of Las Vegas Historic Preservation Commission (HPC) voted at the September 2005 meeting to pursue the completion of a nomination application to the National Register of Historic Places for Berkley Square.

Historic resource survey and archeological documentation of the McWilliams Townsite: Phase I. Also known as the "Original Las Vegas Townsite," it was first settled in 1904 along the wagon road between Salt Lake City and Los Angeles. The townsite became home to roughly 1,500 people who worked at nearby mines and other businesses. By 1905 there were numerous stores, bars, freighting companies, banks and a bakery. Future development to the east across the railroad tracks resulted in a population decline, setting a dramatic rise and fall trend that resulted in layers of development. Expansion of the freeway and industrial use has taken its toll on the original lot size and street layout, and continues to be a concern. Phase II will be included in the 2007 HP Grant-In-Aid Application, and will include an urban archeological survey of any buried remains, buildings, structures, plan-form and development pattern components. Both phases will be combined in a comprehensive report on the growth and decline of the Townsite, and identify any remaining historic features.

Update of prior surveys completed within the historic Downtown Core. Within the last year several high-rise development projects have been introduced which require the use of half and whole blocks within the downtown area. Much of the area has been surveyed in previous projects, the latest completed in 2002. The intent of the 2002 survey was to update earlier surveys completed in 1978 and 1988 that did not include buildings over fifty years old at the

time of completion. The HPC feels that it is important to update all of these surveys within the context of threatened resources.

Printing and distribution of educational materials. The Planning Department has received positive feedback from residents and City departments regarding the informative brochures that highlight walking tours, historic sites, and the historic preservation process. They are a great tool when meeting with neighborhood associations who are contemplating historic designation. With each historic resource survey, the Planning Department produces a brochure that is distributed to libraries, cultural centers and visitors' centers. The HPC currently publishes *The Historic Connection*, using HPC funds held in a City of Las Vegas account designated for use by the HPC. *The Historic Connection* highlights the work of the HPC, preservation activities, and informative articles, and is published on the City of Las Vegas website, as well as distributed locally.

The completed surveys and information with backup materials and final report will be printed and placed in ring binders for distribution. All City departments involved in revitalization or public works projects will be given a copy of the final report. Copies will also be distributed to libraries and historical societies.

Attachment C
WORK PRODUCTS

- Historic resource inventory forms will be completed for appropriate buildings, sites and structures within the designated survey areas.
- A National Register nomination for the Berkley Square neighborhood or structure will be completed.
- Copies of the survey and final report printed for distribution.
- Printing and distribution of educational materials.

Participated in Otis Elevator International Student Design Competition, 1997. Student member of Nevada State Governor's Mansion Restoration Project, 1996.

RELATED PROFESSIONAL EXPERIENCE

Urban Design Coordinator Historic Preservation Officer

City of Las Vegas, Planning and Development Department, Comprehensive Planning, Las Vegas, Nevada. Design development and guidelines for urban infill projects and historic neighborhoods, sites, buildings and structures; façade improvement program; grant administration; prepare National Register documentation and reports; stewardship of City-owned historic properties; staff Historic Preservation Commission; preservation advocacy and education. September 2003 to present.

Current Projects: *Centennial Celebration Time Capsule Working Group; Night Sky Preservation ordinance for master-planned sustainable community; neighborhood preservation and education programs; administering CLG grant objectives.*

Independent Historic Preservation Consultant as 20th Century Preservation

Client: City of Las Vegas, Planning and Development Department, Comprehensive Planning, Las Vegas, Nevada. January 2002 to September 2003. Historic cultural resource survey of select downtown properties for preparation of survey report, and nomination reports for National Register of Historic Properties and Las Vegas Historic Property Register.

Client: City of Henderson, Neighborhood Services Department, Henderson, Nevada. March 2003 to August 2005. Historic cultural resource survey of Basic Townsite neighborhood.

Client: Western Management Associates, Carson City, Nevada. October 2002 to July 2003. Analysis of downtown redevelopment strategies, Carson City, Nevada, "Carson City Urban Development: Analysis of Plans and Surveys Conducted Over the Past 16 Years".

Intern

Francoise Bollack Architects, New York, New York. June 2000 to May 2001. Projects included window condition survey and preparation of construction bid package for historic building, assisting with construction drawings and print checking for New York State Capital building, Albany, NY.

Intern

Landmark West! New York, New York. June 2000 to August 2000. Projects included preparation of nomination draft for Lincoln Center, NY, NY to the National Register of Historic Places. Assistance with the Landmark West! Retail Assistance Program on West 72nd Street. General advocacy activities including letter-writing, fund raising, and educational outreach.

Robert Stoldal

September 2005

Born and raised in San Francisco, California, Robert Stoldal became interested in news and information at a very early age. He credits his grandfather, Walter Andersen, who, in the 1940's and 50's, took him to see newsreels instead of cartoons at a downtown movie theater on Saturday mornings.

In the early 1950's as a pre-teenager Stoldal started a neighborhood newspaper.

Then in 1957, Stoldal's father went to work for the Atomic Energy Commission in Nevada and moved his family from California to Las Vegas, Nevada.

Stoldal attended Las Vegas High School where he was the student librarian and wrote for the school newspaper. Later he was editor of the student newspaper at the University of Nevada, Las Vegas.

His first paying job in the media was sweeping the floors in the pressroom of the Las Vegas Review Journal. In addition to sweeping the lead off the printing room floor and melting it for reuse, the job description also included the duties of hand setting the newspapers front-page headline.

From there, Stoldal went to work as a radio announcer at KLAS radio, and later became the station's news director. At the same time he was part time sports and weatherman at KSHO-TV, (now KTNV) Channel 13.

In 1967 he was hired as a reporter and anchor at KLAS-TV, Channel 8, then owned by newspaper publisher Hank Greenspun. He was promoted to News Director in 1968. As News Director Stoldal was in charge of the station's news department.

Billionaire industrialist Howard Hughes purchased the television station in 1968. During this period of time Stoldal anchored the 11:00 p.m. newscast and served as Editorial Director, Community Affairs Director, as well as News Director.

In 1978 the station was sold to Landmark Communications, owners of several newspapers and The Weather Channel on cable.

Stoldal has been a television news director for more than 30 years. During his tenure as News Director, United Press International honored KLAS as "Best Newscast in America".

As News Director, he led the successful fight in Nevada to allow television cameras in the courtrooms. He broadcast the first criminal trial in Nevada and he also produced the first live coverage of pleadings before the Nevada Supreme Court in Carson City, in 2002.

In 1992 Landmark asked Stoldal to expand the news operation at a newly acquired CBS affiliate in Nashville, Tennessee. He was also asked to help launch three 24-hour regional all news cable channels: one in Virginia, a second in Tennessee, and the third, in Las Vegas.

In April of 1998, Stoldal launched Las Vegas ONE, a 24-hour local news television operation, owned by Cox Cable, Landmark Communications, Inc., KLAS and the Las Vegas Sun newspaper. Stoldal is the General Manager of Las Vegas ONE, now in its 7th year of operation.

In the fall of 2002, Stoldal took over the news operation at KLAS, maintaining his position as G.M. of Las Vegas ONE. In 2003 Stoldal launched a newscast on KTUD, the UPN affiliate in Las Vegas.

Stoldal is active in professional, community and historic preservation activities.

He is a current member of SPJ, the National Society of Professional Journalists, has served as board member and president of the Las Vegas chapter.

Stoldal, a current member of RTNDA, the International Radio and Television News Directors Association, is a former member of the National Committee on Ethics in Television, and has served as a board member of the associations National Committee on Civic Journalism.

He has served as the Broadcast Coordinator for cameras in the courtroom for the Clark County Court system.

In 1989 he received the "Best Manager in Television" award from the Women In Communication. Then in 1998 he received the award for "Best Television General Manager," from the Las Vegas Chapter of Women in Communication.

Over the past three decades he has worked with many civic and community groups including the American Cancer Society, the American Heart Association, Boy Scouts, the Clark County School District, and the United Way.

He works with several historical and preservation groups throughout Nevada. He currently serves as Chairman of the board of the Nevada State Museum and Historical Society, as Chairman of the board of the City of Las Vegas Historic Preservation Commission, as a board member the State Commission on Cultural Affairs, and as a board Great Basin National Park Foundation, as well as a board member of the Las Vegas Springs Preserve Foundation. In addition, he is a supporter and member of several museums and historic site associations throughout Nevada.

Stoldal serves on the City of Las Vegas Centennial Celebration Commission's Executive Board.

Along with a group of citizens from throughout Nevada, including former U.S. Senator Richard Bryan, Stoldal launched Preserve Nevada (PN) in the spring of 2002. As a charter board member, Stoldal serves as vice chairman of PN whose goal is to preserve the history and historical structures in Nevada. PN is an affiliate of the National Historic Trust.

Stoldal has four sons: Tony, Adam, Matthew, and Christian. He is married to Kay Stoldal.

Support Document

The City of Las Vegas *Priorities* supports this project:

- Revitalize and invigorate our mature areas and the urban core
- Support and encourage affordability, livability, and pride in our neighborhoods

The *City of Las Vegas Master Plan 2020*, adopted by Planning Commission on June 15, 200 and City Council on September 6, 2000, supports this project in the following sections:

Reurbanization

OBJECTIVE 1.4: To retain, where viable, historical structures which represent the architectural, cultural and social legacy of the City of Las Vegas.

Neighborhood Revitalization Area

GOAL 2: Mature neighborhoods will be sustained and improved through appropriate and selective high quality redevelopment and preservation.

Cultural Enhancement

OBJECTIVE 5.2: To promote cultural awareness and pride within the city.

POLICY 5.2.1: That the City support and assist in the development of new programs which provide incentives for the development and expansion of arts and cultural activities, particularly those which demonstrate an identifiable local context.

The City of Las Vegas *Historic Preservation Plan* supports this project in the following sections:

Goal: Promote the educational, cultural, economic, and general welfare of the public through the preservation, maintenance and protection of structures, sites and districts of significant historic, architectural, and archaeological interest within Las Vegas.

Objective A: Promote the preservation and maintenance of structures, sites and districts of historic interest within Las Vegas.

Policy A1: Develop and maintain an inventory of historic properties

Objective B: Encourage community participation in the preservation planning process to achieve public understanding and support of preservation concept and the value of cultural resources to the community.

Policy B1: Develop public awareness programs to promote public interest.

Program B1.1: Establish school programs, the publication of historical findings, and walking tours to interpret the cultural history of Las Vegas and to promote the public interest in the cultural environment.

Program B1.2: Identify and make available to the public the primary documents and collections which record and illustrate the history of Las Vegas.

Program B1.3: Encourage the collection, conservation and interpretation of regional history, culture, archaeology, architecture and art through museums, libraries and other publicly accessible institutions.

Issue 3: Rehabilitation and reuse of historic resources.

The establishment of the City of Las Vegas Historic Preservation Commission (HPC) will facilitate the promotion and support of nominations of improvements and sites eligible for listing on the National Register of Historic Places, the National Historic Landmark's Programs, the Historic American Buildings Survey, the State-wide Comprehensive Survey and Inventory and other federal, state or local programs for the identification of historic resources. Once properties are listed on the aforementioned, they become eligible for federal as well as state rehabilitation and preservation funds. Additionally, private non-profit preservation organizations consistently take a strong interest in the preservation of historic resources and oftentimes work with property owners to enlighten the public as to the existence of such historic resources.

The '2000' document contained "Actions" specified to be accomplished ("...the process is not over. We must put these plans into action.") These actions are incorporated into the Plan update so that the process of citizen involvement and institutional response will continue.

The Action relating to Historic Preservation is:

Adopt a Historic Preservation ordinance.

11.3 Goal, Objectives, Policies and Programs

The following hierarchy of the overall Goal, and supporting Objectives, Policies and Programs, reflects applicable "actions" of the "Las Vegas 2000 and Beyond" citizen's strategic planning program, and subsequent review by the General Plan Citizens Advisory Committee of the 1985 General Plan Goals, Objectives, Policies and Programs, revised to address current conditions and issues.

Goal: Promote the educational, cultural, economic, and general welfare of the public through the preservation, maintenance and protection of structures, sites and districts of significant historic, architectural, and archaeological interest within Las Vegas.

Objective A: Promote the preservation and maintenance of structures, sites and districts of historic interest within Las Vegas.

Policy A1: Develop and maintain an inventory of historic properties.

Program A1.1: Develop guidelines and criteria, in conjunction with the City of Las Vegas Historic Preservation Commission, to identify historic districts or sites.

Program A1.2: Develop a program for the nomination of eligible historic resources to the National Register of Historic Places.

Program A1.3: Develop and monitor a listing of significant cultural resources which illustrate the historic role and contributing character of population identities within the community.

Program A1.4: By 1992, identify and maintain an inventory of structures, sites and districts that are listed on or are potentially eligible for the National Register of Historic Places.

Program A1.5: Recommend to the City Council areas that should become historic districts or sites.

Policy A2: Develop a program to become a Certified Local Government.

Program A2.1: By 1993, update the existing City of Las Vegas Historic Preservation Ordinance that will meet the requirements to become a Certified Local Government.

Objective B: Encourage community participation in the preservation planning process to achieve public understanding and support of preservation concepts and the value of cultural resources to the community.

Policy B1: Develop public awareness programs to promote public interest.

Program B1.1: Establish school programs, the publication of historical findings, and walking tours to interpret the cultural history of Las Vegas and to promote the public interest in the cultural environment.

Program B1.2: Identify and make available to the public the primary documents and collections which record and illustrate the history and development of Las Vegas.

Program B1.3: Encourage the collection, conservation and interpretation of regional history, culture, archaeology, architecture and art through museums, libraries and other publicly accessible institutions.

Objective C: Promote and encourage the use of incentives for the purpose of rehabilitation and reuse of historic resources.

Policy C1: Investigate the use of federal and state incentives pertaining to Historic Preservation.

Program C1.1: By 1993, identify, develop and distribute information dealing with State Historic Preservation Incentives.

Program C1.2: Develop a program for the implementation of federal incentives such as the Historic Rehabilitation Credit program and the Charitable Contribution Deduction program.

Policy C2: Investigate and develop local alternative incentive programs for the express purpose of Historic Preservation.

Program C2.1: Coordinate the development of City guidelines which would encourage the adaptive reuse of vacant and/or abandoned buildings that may have historic significance in Las Vegas.

Program C2.2: Develop amendments to the City's Zoning Ordinance which would facilitate the adaptive reuse of historic buildings.

Objective D: Promote and encourage the stability of designated historic neighborhoods, sites and landmarks by preserving their historical and architectural integrity.

Policy D1: Identify and investigate successful design guidelines for historic preservation as developed by federal agencies such as the National Park Service and by other state and local agencies.

Program D1.1: Develop a comprehensive set of design guidelines for the construction of new buildings and improvements to already existing structures.

11.4 Evaluation and Implementation Matrix

The following Historic Preservation Evaluation and Implementation Matrix (EIM - see next page) was prepared as a measurable summary of the above Historic Preservation Policies and Programs. The EIM is to be used:

- as a method of measuring the implementation progress of the General Plan.
- as a budgeting document for specific Historic Preservation programs.
- as a tool for further developing work programs.

The following abbreviations apply to Evaluation and Implementation Matrix

City	
BS	Business Activities
CA	City Attorney
CM	City Manager
CP	Community Planning & Development
DD	Design and Development
ED	Economic & Urban Development
PL	Parks and Leisure Activities
UD	Urban Development
